8-5-3 (C)

Criteria for selection of landmarks.

A landmark is a building, structure, site, place, object, or work of art, including the adjacent area necessary for the proper appreciation or use thereof, deemed worthy of preservation by reason of value to Athens-Clarke County, State of Georgia, or local region for one or more of the following reasons:

- a. It is an outstanding example of a building, structure, object, or work of art representative of its era;
- b. It is one of the few remaining examples of past architectural style;
- c. It is a place, building, site, object, work of art or structure associated with an event or a person of historic or cultural significance to Athens-Clarke County, State of Georgia, or the region.
- d. It is a site or place of natural or aesthetic interest that is continuing to contribute to the cultural or historical development and heritage of the municipality, county, state or region.
