

AGENDA

Athens-Clarke County
Solid Waste Citizen Advisory Committee
Wednesday, August 18, 2021
5:30 P.M.
WebEx remote meeting due to COVID-19

I. Welcome/Introductions

II. Public Comments

II. Approval of Minutes: Wednesday, May 26, 2021

IV. Reports:

- **Keep Athens-Clarke County Beautiful**
- **Recovered Materials Processing Facility (RMPF)**
- **Collections Division**
- **Landfill Status**
- **UGA**

V. Old Business

- **Adopt-A-Highway Clean-up**
- **Black Lives Matter Resolution update**
- **By-laws**

VI. New Business

- **Plastic Bag/container timeline**
- **Regional SW Management Plan**

VII. Adjournment

NOTE: Items Assigned - Future Consideration:

- Develop a draft ordinance for presentation to the Mayor and Commission by the end of CY 2019 (extended but needs to move forward in the next six months) eliminating plastic bags and Styrofoam containers at points-of-purchase, including at least a 12 month phase-in timeline for community-wide education and distribution of alternative items. The committee should engage with retail and restaurant businesses to identify alternatives for their use of these products. They should also develop a timeline for elimination of these items at events on ACC public property.
- From the ACC Manager's Office: (please see SWAC webpage <https://accgov.com/1373/Solid-Waste-Citizens-Advisory-Committee> for details)
 - Environmental Justice concerns
 - Expansion of landfill
 - Composting and biosolids
 - Odor Complaints
 - Old schoolhouse
