In what specific ways will this project “Close the Equity Gap” in Athens-Clarke County, by improving the Equitability of Capital Improvements throughout the entire community?

The project provides capital improvements to the North Athens Neighborhood, a traditionally underserved area of our community.

- The project invests in much-needed infrastructure improvements and addresses outdated conditions such as dirt roads in North Athens.
 - The project invests in infrastructure improvements that address maintenance issues and needed upgrades that have been overlooked in past public investments.
 - The project invests in infrastructure that will provide a greater quality-of-life for residents by improving their day-to-day experiences in the neighborhood and protecting the residents' property and property investments.
-

How will this project address one or more of the Mayor and Commission approved Strategic Commitments and Project Selection Criteria?

- **Promotes the Goal of improving Equitability of Capital Improvements throughout the Community** by focusing on much-needed improvements in the North Athens Neighborhood, an underserved area of A-CC.
 - **Promotes Health and Safety** by creating safer community streets.
-

What aspects of this project will focus on improving the “Triple Bottom Line” (Impact on Economic Prosperity, Social Well-being, and the Environment)?

- This project positively impacts **Economic Prosperity** by improving residential streets in an underserved area of our community and improving property values of those areas.
 - This project positively impacts **Social Well-being** by improving equitable access to infrastructure.
