

North Athens Neighborhood Pittard Road CSX Sound Attenuation

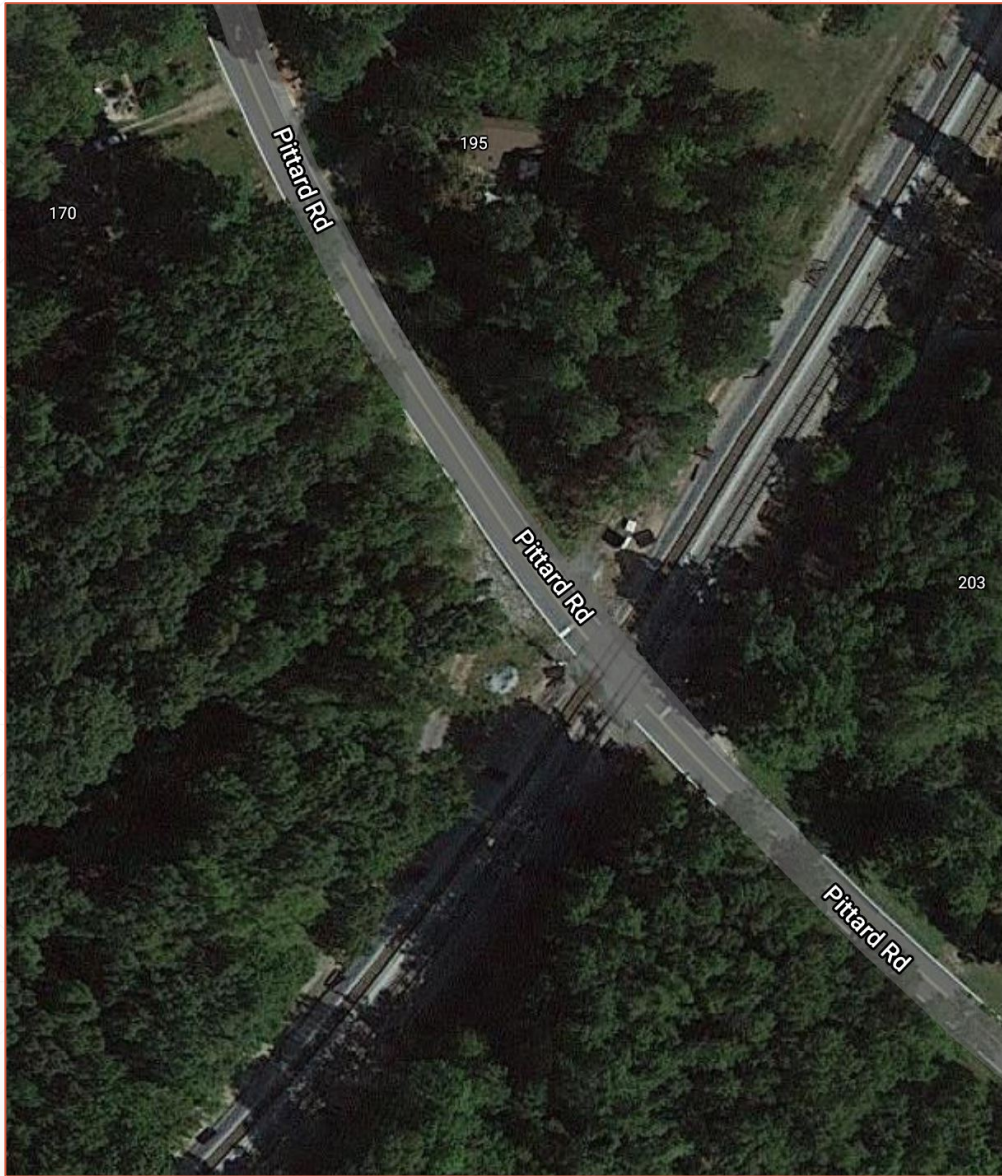

TSPLOST 2023 – Project No. 65

Project Scope

Alleviate impacts to nearby residents from noise created by CSX rail traffic along Pittard Rd.

- Pittard Rd @ CSX Railway – Install approximately 2,000 LF of sound barrier walls along CSX Railroad to attenuate sound created by increased CSX rail traffic.

CSX Crossing @ Pittard Road

- Install approximately 2,000 LF of sound barrier walls along CSX Railroad to attenuate sound created by increased CSX rail traffic.

Pittard Road South of CSX Crossing

- Alleviate impacts to nearby residents from noise created by CSX rail traffic along Pittard Rd.

In what specific ways will this project “Close the Equity Gap” in Athens-Clarke County, by improving the Equitability of Capital Improvements throughout the entire community?

The project provides capital improvements to the North Athens Neighborhood, a traditionally underserved area of our community.

- The project invests in capital improvements to alleviate existing negative impacts to nearby residents from noise created by CSX rail traffic.
 - The project invests in infrastructure that will provide a greater quality-of-life for residents by improving their day-to-day experiences in the neighborhood and protecting the residents' property and property investments.
-

How will this project address one or more of the Mayor and Commission approved Strategic Commitments and Project Selection Criteria?

- **Promotes the Goal of improving Equitability of Capital Improvements throughout the Community** by investing in the North Athens Neighborhood, a traditionally underserved area of town.
 - **Promotes Health and Safety** by increasing tranquility and improving quality of life for residents.
-

What aspects of this project will focus on improving the “Triple Bottom Line” (Impact on Economic Prosperity, Social Well-being, and the Environment)?

- This project positively impacts **Economic Prosperity** by improving quality of life and contributing positively to current property values.
 - This project positively impacts **Social Well-being** by contributing to an equitable quality of life and residency.
