West Broad Street Advisory Board

Pittard Road Residents

TSPLOST 2026

---

---

## PROJECT GOALS

- Fund neighborhood traffic calming improvements throughout the community, specifically along Pittard Road, Evans Street, and Waddell Street. These improvements, but are not limited to, speed tables, additional signage, traffic circles, additional curbing, islands, crosswalks, curb ramps, sidewalk improvements and other measures to enhance and improve pedestrian safety.

Total Project Cost \$651,000

# WHY IS THIS PROJECT IMPORTANT

## Goal Area 5 – Safely Move Around Athens

- **Section E - Enhance safety for all modes of transportation:** The project would create safer streets for all modes of transportation by encouraging slowing of vehicular traffic.

## Goal Area 6 – Built and Natural Infrastructure

- **Section B - Ensures equitable access to infrastructure to enhance safety and identity:** The project would create safer streets for all modes of transportation by encouraging slowing of vehicular traffic.
