

Athens-Clarke County Public Utilities Department  
**2025 Capital Improvements Element**

Project  
**3-334**

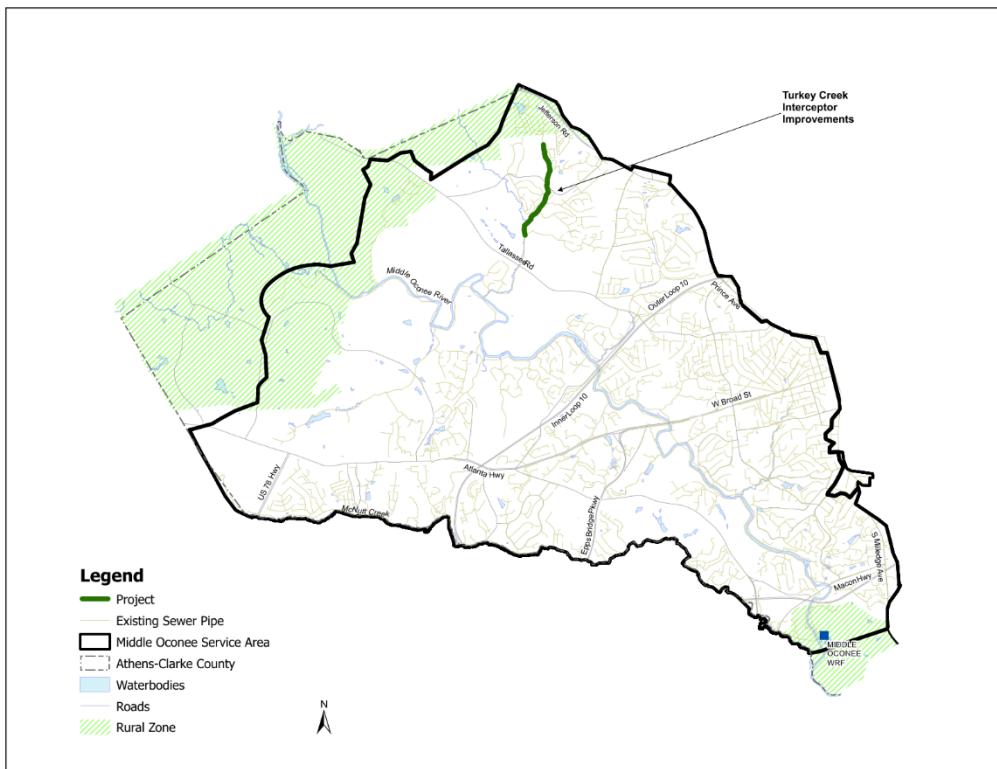

**Project Name**  
Turkey Creek Interceptor  
Improvements

**Project Category**  
Rehabilitation and  
Replacement

**Project Cost**  
\$2,100,000

**Key Elements**

1. Rehabilitation of 6,400-LF of existing sanitary sewer (SS) pipe
2. Improve sewer capacity by upsizing and relining pipe as required
3. Reduce possible sewer blockages by improving flow

**Project Description**

Rehabilitation of 6,400 LF of existing 10" SS pipe within the Middle Oconee WRF sewer basin. Drainage sub-basins include TC-1 and TC-3.
