L(1) = Permitted support uses or structures owned or operated by, leased by or to, or otherwise controlled by, the institutional user, which directly provide service to the institution and its patrons, and when such support use or structure is physically integrated into the physical plan of this institution. This provision shall include, but not be limited to leasing of office space by a hospital or health care facility to independent physicians or other health care providers. Residential uses must be owned or operated by the institutional user with a primary use other than residential. Refer to section 9-15-19 for regulations governing personal care homes. Refer to section 9-15-21 for more information concerning halfway houses.
