## Theatre

YOUR Community Theatre! Theatre performance and educational opportunities are provided by Athens Creative Theatre (ACT) which is a unit of the Athens-Clarke County Leisure Services Division. ACT presents a number of theatrical productions annually, including comedies, dramas, and musicals. The program also offers a range of theatre education courses designed to build self esteem, develop theatrical skill sets, and encourage creativity in performers of all ages and abilities. Theatre activities are housed at both the Morton Theatre in downtown Athens as well as Quinn Hall located at Memorial Park. You can learn more about Athens Creative Theatre, our staff, and our yearly activity offerings at [www.accgov.com/act](http://www.accgov.com/act)

## Gymnastics

Here at Athens Clarke Gymnastics Academy we believe every child is important and valuable. We pledge to coach and develop each child that walks through our doors regardless of their level of talent. Our main goals are to provide a clean, safe, fun learning environment and to build the self esteem of every child. We develop healthy, happy children from the inside out! We teach developmental gymnastics and use it to develop coordination, confidence, self-esteem, respect for others, sportsmanship, improve reading skills and much more in our students.

# Therapeutic Activities

ACC Leisure Services offers Therapeutic Recreation programs, services, and activities that are accessible to all individuals with disabilities. ACCLS supports and encourages opportunities for inclusion in all programs. In addition, adaptive programs are available to provide individuals with disabilities a modified experience for recreational success. These programs are intended to assist persons with disabilities in an adapted environment, which may be modified in terms of progression, skills breakdown, techniques, or equipment. Staff will be present to assist with facilitation and provide adaptations for skill development. If one-on-one supervision is needed, a parent/guardian or other caregiver should be present for the duration of the program. Adaptive programs are designed for individuals who require additional assistance or modification.

## Youth Basketball League

ACCLS Youth Recreation Basketball League A recreational youth basketball league emphasizing physical health, teamwork, and the basic fundamentals of basketball. Each team will average two activities per week (practice and/or game) throughout the season. To ensure sufficient interest, registration is currently on a waitlist. If enough participants express interest, we will activate the roster.

Age Control Date: September 1, 2025 (players must be at least 5 years old on this date).

Practice & Game Dates: Weekday practices begin in November (one practice per week). Saturday games run December through February. Locations: Heard Park (6U & 8U), Lay Park (10U, 12U, 14U)

Player Equipment: All players receive a team jersey.

Volunteer Coaches Needed! We are seeking dedicated volunteer coaches to help make the league a success. Volunteering as a coach is a rewarding way to make a difference in young athletes' lives. Coaches help build skills, character, and teamwork while creating a positive and fun experience for all participants.

Perks for Volunteer Coaches: Training and resources provided. Reimbursement of registration fees for one of your children at the end of the season. Your involvement is critical to the success of the league, and we encourage parents and guardians to step up and join this rewarding experience.

STAND (Student Training and Athletic & Academic Next-Level Development) To develop well-rounded student-athletes (football, basketball & girls flag football) by combining academic support, sports training, life skills, and wellness education. At STAND, we prepare youth to succeed in school, thrive in sports, and grow into confident leaders.

At STAND, we believe true success starts with discipline, purpose, and development. Our program offers student-athletes from 3rd to 9th grade a structured path toward academic achievement, athletic excellence, and personal growth. Through elite sports training, grade tracking, nutrition education, and mental wellness support, we prepare every participant not just to play - but to STAND for something greater.

COMMUNICATION

Text/email reminders and updates will be sent through the MyRec software. Please make sure that notifications have not been turned off and confirm your settings are correct. If not, you will miss out on important information pertaining to your Leisure Services activities.

SCHOLARSHIP PROGRAM

The Leisure Services Department offers an opportunity to pay a discounted rate for Leisure Services youth programs. All ACC residents under the age of 18 are eligible to be considered for a scholarship. Find more information at [accgov.com/scholarship](http://accgov.com/scholarship)

REGISTRATION TIPS:

Log in to [accgov.com/myrec](http://accgov.com/myrec) before registration day. Get your account set up and get a feel for the software. Submit your scholarship information early. Confirm your account information is correct, including your email address. Some programs fill quickly. Remember — you will be registering by PARTICIPANT.

Mind your cart. The items in your cart on MyRec will eventually time out if you do not complete your transaction.

Don't shy away from the wait list. Individuals on the wait list will be offered these dates first, in order of registration.
