

Beauty is a silent but powerful force that makes communities safer, healthier, and more

Thanks to all of our Beautiful Businesses for leading the way in Keeping Athens Clean and Beautiful!

Heirloom Café
Beautiful Business of the Year
2012

Litter clean up costs the U.S. more than \$11.5 billion each year, with businesses paying \$9.1 billion, or about 80%.*

HONOR ATHENS' BEAUTIFUL BUSINESSES!

The Beautiful Business of the Month program recognizes businesses that improve the appearance of our community through their landscaping and beautification efforts. Each month, The Keep Athens-Clarke County Beautiful Board of Directors accepts nominations and selects a local business to receive the title of Beautiful Business of the Month.

Winning businesses display the Beautiful Business of the Month sign and are awarded a decorative stone. In December, one of the year's beautiful businesses of the month will be chosen to receive extra recognition as Beautiful Business of the Year at GreenFest.
