**What is the duration of the prescribed grazing\*?** Start date: \_\_\_\_\_ End date: \_\_\_\_\_

\* No more than two prescribed grazing permits may be issued per calendar year.

There must be 60 days between the expiration of one prescribed grazing permit and the issuance of the next.

**How many grazing animals will be on site (maximum number)\*\*?** \_\_\_\_\_

\*\*The number does not include animals less than 6 months old that accompany an adult female of the same species.

**Will temporary electric fencing be used to provide proper enclosure in part or in whole?**  Yes  No

If yes, a warning sign must be placed on every boundary of the enclosure and every 300 feet along each side of the fence. These warning signs must not exceed four feet in sign area, must be clearly visible on approach to the fence, and be posted within one foot of the fence.

**Are there any environmental areas on your property (such as a creek, river, wetland or pond)?**  Yes  No

- Work within 200' of riparian buffers (buffers around streams, rivers and other bodies of water) or floodplain requires an Environmental Areas Review.

**Please provide a plan drawn to a standard scale with dimensions in feet, which includes the following items:**

- Property boundary lines
- All roads (labeled) adjacent to the property
- Setbacks
- All existing structures and buildings
- Environmental Areas
- Impervious surfaces
- Distance b/w structures and lot lines
- Full extent of the prescribed grazing area
- % of lot coverage

**Do you understand and agree to the following:**

- That the prescribed grazing activity shall be fully and properly enclosed at all times?  Yes
- That welfare of the animals must be ensured by the owners of the animals?  Yes
- That male goats over 6 months old must be neutered?  Yes
- That any trash storage areas, equipment, compost/mulch piles must not be visible from the street and adjacent properties?  Yes
- That a single sign, not to exceed 4 sq ft in area and 4 ft in height, must be erected and visible from right of way for the duration of the permit with the permit number and 24-hour contact?  Yes

*The Unified Government of Athens-Clarke County is a public entity subject to Georgia's Open Records laws. All submitted applications and associated plans and documents are covered under such laws and may be released to other parties unless they contain information specifically protected by law.*
