PERMIT HOLDER AGREES TO THE FOLLOWING: (PLEASE INITIAL EACH)

- _____ (1) The Public Officer or the owner must have determined that the structure represents a hazard to life safety to the public and that such risk cannot be eliminated by affordable repairs (as defined in Sec 3-13-4(3)).
- _____ (2) It shall be unlawful for a building owner to secure or cause to be secured such a building without first obtaining a Temporary Secured Structure Permit from the public officer.
- _____ (3) A Temporary Secured Structure Permit may be issued by the public officer for a maximum time period of sixty (60) days prior to the repair or demolition of a structure which has been identified by the public officer as a nuisance. This temporary, short-term permit is for the purpose of restricting access to a structure or site that may pose an immediate hazard to life safety.
- _____ (4) The owner must obtain a Temporary Secured Structure Permit from the public officer for any structure that has been identified as a nuisance by the public officer so that the structure will remain secure until a building permit or demolition permit is issued and work has commenced on the repairs or demolition. Along with an application for a secured structure permit pending demolition or repair, the owner must provide to the public officer a schedule for repair or demolition and payment of the required fees in the amount established in Title 7 Article 10 of this code.
- _____ (5) The building must be secured, windows and doors covered and secured. If the condition of the building prevents securing of the windows and doors, the site must be fenced in order to deter unauthorized entry to the property
- _____ (6) All secured structures including all adjoining yard areas shall be maintained free of debris, combustible materials, litter, and garbage.
- _____ (7) The Temporary Secured Structure Permit must be posted on the front door of the building in a clearly visible location while the structure remains in secured status.
- _____ (8) It shall be unlawful for the holder of a Temporary Secured Structure issued by the public officer, pending compliance by demolition, to violate any of the provisions in paragraphs (1) through (7) in this section. Any person violating these provisions shall, upon conviction thereof, be punished as provided in section 1-1-5.
