9. What are ways you can save water in your home? Check all that apply.

- Ask adults to fix leaks.
- Let the water run when you brush your teeth.
- Don't use the toilet as a trashcan.
- Turn off the lights when you leave a room.
- Run the dishwasher when it is half full.
- Turn off water while sudsing and lathering soap in hands.

10. The amount of water we have for us to use can be affected by: (Check all that apply)

- | | |
|--|--|
| <input type="checkbox"/> Drought, a period with little rain. | <input type="checkbox"/> Playing too many video games. |
| <input type="checkbox"/> Using water faster than it can be replaced. | <input type="checkbox"/> The number of frogs living in a pond. |
| <input type="checkbox"/> Not using water wisely. | <input type="checkbox"/> Putting trash into the water. |
