How to Ride the Bus

- 1 Find your location on the map.
- 2 Check the timetable for the closest timepoint to your location. If you will be catching the bus at a stop not listed in the timetable, plan to arrive at your stop by the time listed for the preceding timepoint.
- 3 Read the timetable from left to right and top to bottom.
- 4 If you need to take more than one bus to reach your destination, ask your operator for a transfer.
- 5 Use exact fare. The operator cannot make change.
- 6 To indicate your stop, pull the cord located at the top of the windows or press the black strip between the windows.

Bus-N-Bike

ACCT "Bus n' Bike" program makes daily commuting much easier, safer, and more convenient for cyclists. Special carriers on the front of the bus allow riders to easily store bicycles while riding. Each carrier can hold at least two adult-size bikes. For detailed information on how to load and unload a bike visit: www.accgov.com/2105/Bus-N-Bike

Thanks for riding ACCT.
We hope your trip is pleasant.
