

Athens-Clarke County Leisure Services
Program Modification Attendance Agreement

I understand that it is my responsibility to ensure that my child regularly attends this program and that program and support staff members are notified in a timely manner of any absence my child will have for the program. Except in cases of emergency, I understand I must provide at least a three hour prior notification of absence for programs.

I also understand that I must be on time for the program. If we are more than fifteen minutes late without prior notice, support staff will be dismissed for the day and the session will be treated as an absence. My child will not be allowed to participate that day if the support staff has already been dismissed.

If my child is absent more than two total sessions and/or has more than one absence without prior notification, the provision of the support staff will be cancelled for the duration of the program sessions and my child's enrollment in the program will be terminated. I understand that no refunds for program fees are issued in this circumstance.
