

APPRECIATION

We make it a priority to notice what others are doing well. We respect and appreciate that everyone has something valuable to contribute in any given situation. We understand that appreciation at its basic level makes us feel safe and frees us to do our best work. We are learning that appreciation, respect, and empathy are the most significant factors that drive engagement.

COLLABORATION

We are better when we work together. We consistently foster cooperation through candid communication and compassionate behavior towards one another. We recognize that fairness forms a foundation on which we can build a positive and fulfilling work environment for our community, our partners, and ourselves.

CREATIVITY

We know that serving our community with optimal outcomes requires innovative minds and active engagement. We encourage ideas and creativity in our organization from everyone, regardless of role. We confidently accept and embrace the inherent risks associated with innovation and change. We are not afraid to fail.

UNIQUE

We are unique. We serve a diverse and thriving community. We take an inclusive approach that emphasizes an atmosphere where everyone can endorse his or her unique talents and knowledge. We make being accessible a high priority, whether we are supporting our internal or external community. We put others first whenever someone needs us.

GENUINE

We act with genuine integrity. We take to heart our values, vision, and mission. We are honest, reliable, and caring in our interactions with other people. We strive for compassionate accountability, in which we rise above our circumstances to demonstrate the ownership necessary to achieve desired outcomes while preserving the dignity of others.
