

## CORE VALUE STATEMENTS

- We strive to be a model of **integrity**, a beacon of **reliability**, and a shining example of **accountability** through every choice we make and every action we take.
- We endeavor to inspire a **collaborative** spirit, boost **cooperation**, and embolden **engagement** from every facet of our community.
- We purpose to embrace the **diversity** in our staff and community, embody **inclusivity** in our hiring and decision-making, and remain **accessible** to all regardless of status, stature, or ability.
- We resolve to treat everyone with **compassion** and **respect**, show **appreciation** for effort and achievement, and approach every situation in a **fair** and **consistent** manner.
- We determine to maintain open lines of **communication**, responding to all comments, questions, requests, and concerns in a timely and courteous manner.
- We aspire to **innovation** in our processes and **creativity** in our thinking.
