Georgia Recycling Coalition's

Read for Recycling Program

Reading Journal for
November 10-17, 2018

Dear Reader and Recycler,

Reading and Recycling are important habits to form. The Georgia Recycling Coalition is excited to encourage both reading and recycling through the Read for Recycling program. This program is part of the state America Recycles Day (ARD) celebration. ARD is the only nationally-recognized day dedicated to promoting and celebrating recycling in the U.S. Annually, ARD is held on November 15th. Visit www.americarecyclesday.org for complete ARD information. For the second time in Georgia, during the week of November 10-17, 2018 students are encouraged to read books that celebrate, educate, and encourage waste reduction activities. Follow these easy steps to participate:

1. Read a minimum of five waste reduction/recycling books, record them, and journal what you learned about waste reduction/recycling from the book in your Reading Journal (back page).
2. Once completed mail your Reading Journal to the **Georgia Recycling Coalition, Read for Recycling Program, P.O. Box 550667, Atlanta, Georgia 30355.**
3. The Reading Journal is due on **Monday, November 26, 2018.**
4. AWARD(S): Six participating students from K-12 will be randomly drawn to win one of six (6) \$50 gift cards to Barnes and Noble.

Note to Teachers/Media Center Specialists:

The teacher and/or media center specialist with the most student participation will receive a class set of waste reduction/recycling books for his/her classroom. For complete details, visit the GRC website at www.georgiarecycles.org. Click the Georgia Recycles tab at the top and click America Recycles Day.

Please complete all the information below. Print and write legibly.

Student Name: _____

School: _____

Grade: _____ County: _____

Teacher/Media Center Specialist Name: _____

Teacher Phone: _____

Teacher Email: _____

Parent/Guardian Name: _____

Parent/Guardian Signature: _____

Parent/Guardian Phone Number: _____

In the spaces provided below, write the title and author of each book you have read. Then write at least one recycling/compost fun fact for each!

	Title / Author	Fun Fact
1		
2		
3		
4		
5		

Read more than five (5) books?

Attach another sheet of paper with book information and fun facts!
