Sessions for Campers Ages 7-12

Limit of 4 weeks per camper

June 7- 11

Outdoor Adventures

Race through adventures at Sandy Creek Day Camp. Hike the woods in search of wildlife. Use binoculars to identify birds. Build shelters that can withstand wind and water. Improve your archery and canoeing skills. Plan and take a special hike on Friday.

June 14-18

Planet Protectors

Earth is a special planet. Start this week to honor & take care of our planet. Each themed day will show ways to protect our planet. Compete in a compost challenge, learn how to filter water, build art with recycled materials, make seed bombs to spread native plant seeds. Includes an earth day celebration on Friday. Come help us make a difference!

June 21-25

Camp-ology

Biology, Geology, Chemistry & so much more. Play in the mud to celebrate international mud month. Learn how to forecast the weather to beat the heat. See how chemistry is part of our lakes & streams. Apply your new knowledge of physics for success in boat races and other challenges at Sandy Creek Park.

June 28-July 2

Fantastical Kingdoms

Travel through the forest & use your imagination. Look for signs of ballybogs, the beavershark, and bigfoot. Search under bridges for trolls and make fairy houses. Become a knight & create

your own armor for a camp-wide contest. Share stories & artwork of favorite amazing creatures at a special campfire.

July 6-July 9

Back in Time - (no camp July 5)

Step back to a time before modern technology. Explore the brick factory ruins. Enjoy pioneer activities at the 1790 era Log House. Visit the planetarium & hear Native American star stories. Create model boats to float in the lake. Trek around Sandy Creek Park & look for signs of the past.

July 12-16

Aquanauts

Wade creeks & swim in the lake. Build a boat, search for aquatic animals, & find out what lurks in the waters of Sandy Creek & Lake Chapman. Paddle through a canoe obstacle course. View pond water for microscopic creatures & test our stream's water quality. Try your hand at a casting & fishing tournament. Escape the heat with tons of water fun!

July 19-23

Animal Olympics

In honor of the Summer Olympics, we'll hold Animal Olympics this week. Do you stack up against the speeds of animals? Watch box turtles go over the finish line, compare your aim in archery with the skills of a bird of prey. End the week with a camp-wide Olympics celebration and challenge!

Sessions for Campers Ages 13-15

Limit of 2 weeks per camper

June 7-11

Park Explorers

Teens plan their week & choose their own activities at Sandy Creek Park & Nature Center. Follow the Greenway, visit animals, take hikes & discover places they've never seen. Journey around Lake Chapman both by boat & on foot. Visit seldom seen historic sites and waterways.

June 14-18

Earth Warriors

Can your actions and choices make a difference each day? Create armor from recycled materials, build seed bombs & slay invasive plants. Design habitats for animals & monitor the health of our waterways. Make a display at the nature center to show visitors how they can become earth warriors too!

June 21-25

Water Wanderers

Let water lead you on adventures this week. Explore a creek and kayak around Lake Chapman. Use nets, fishing gear, and depth finders. Trace raindrops from the sky to the sea using a larger than life giant map. Follow the path of stormwater along our local creeks & rivers.

June 28-July 2

The Earth & Beyond

From the planetarium to homemade rockets, we'll check out our planet & beyond. Use telescopes to view the sun and distant objects. Create solar prints and a human sundial. Follow a larger than life solar system model along the Greenway. View some Sci-Fi moves for fun and see how many technologies are part of our life today.

July 6-July 9

Tech Trek - (no camp July 5)

Go where no camper has gone before! From prehistoric tools to preparing for the zombie apocalypse, practice using tools to survive through time. Build a fire using primitive technology. Use a drone and GPS to measure trees & find animals. Spend a day playing pioneer games & old time activities at the 1790 Log House.

July 12-16

All About Animal Care

How do we take care of our venomous snakes? What do we feed to our animals? Discover what it takes to keep our animals fed & exhibits maintained. Set up an aquarium & terrarium for the week with our animal caretaker.

July 19-23

Amazing Race Week

Campers will participate in our version of this popular challenge. Teams will solve outdoor puzzles, compete in nature challenges, traverse trails, and create scenarios for other campers to complete. Includes boat races, outdoor skill contests, and other activities.
