

TSPLOST 2018 Project #16: Prince Avenue Corridor Improvements Project

This project includes \$4 million in funds for improvements to the corridor from Pulaski Street to Sunset Drive. After public input, a user group will recommend projects in fall 2021 to the Mayor & Commission, which will approve a final list.

Potential improvements may include:

- Landscaped/concrete median(s)
- Sidewalk & pedestrian area upgrades
- Mid-block crosswalks
- Separated bike lanes
- Intersection, roadway & signal changes

Public survey (through Sept. 9, 2021) + more details + in-person meeting info + video at accgov.com/prince.
