## THE QUICK DOORJAMB FIX

### INTERIOR FIX-A-JAMB

**24" long  
sleeve**

**Fits most  
interior  
doorjambs  
(1-3/8" thick doors)**

**Made of steel  
and powder  
coated white**

Whether it's a domestic dispute, burglars, fighting children or Emergency Medical Personnel, exterior and interior doorjambs are often broken. Until now, repairing a damaged jamb was expensive and very time consuming. FIX-A-JAMB does the job in less time, for less money and leaves you with a clean, finished look.

**Permanently repair a  
shattered jamb in  
20 minutes**

### EXTERIOR FIX-A-JAMB

**36" long  
sleeve**

**Fits exterior  
doorjambs  
with 4" to 21"  
lock spacing**

### DON'T WASTE YOUR MONEY

**For the quickest and least  
expensive repair possible**

**Now, at last, there is an easy,  
inexpensive, and attractive  
way to fix broken jambs.**

**Don't waste your money on new  
doors and jambs. FIX-A-JAMB  
and Forget about it!**

**Easy to install**

**Durable**
