

HOW TO RIDE ACC TRANSIT

① PLAN YOUR TRIP: Use our system map, the myStop app or Google Maps to find the bus route(s) that travels between your origin and destination.

Some trips require a transfer to another bus. You can do that anywhere the buses go to the same stops. Confirm the bus you are transferring to is arriving **AFTER** the bus you started on. If it looks like it will be close, ask your bus driver for assistance.

② FIND YOUR STOP: Select your chosen route on the myStop app and it will display all bus stops along the route. Click the bus stop button for a list of all routes that serve each stop.

This map shows the bus route and key stops called 'timepoints'. These are also listed on the timetable. There are many additional stops along the way. Find the one closest to you and get ready to ride!

③ SCHEDULE YOUR TRIP: Each row of the timetable indicates one round-trip bus ride. Find the timepoint closest to your location, check the bus direction at this stop (*some timepoints have the same name on both the outbound and inbound trip*) and arrive at the time listed for the preceding timepoint, or about five minutes before your bus is scheduled to arrive. Specific departure times for all stops are on the myStop app.

④ ENJOY THE RIDE: As the bus arrives, signal to show you are ready to ride. Check the route number on the side or front of the bus, enter through the front then find your spot and enjoy the ride!

Before your stop, pull the cord located at the top of the windows to indicate you would like to stop. Check for your belongings and exit through the back door.

It's that easy to avoid the fuss and ride the bus with Athens-Clarke County Transit.

HOURS OF OPERATION

MONDAY – FRIDAY: 6:00 AM – 9:45 PM
SATURDAY & SUNDAY: 7:00 AM – 6:45 PM
