

Athens-Clarke County  
PUBLIC UTILITIES DEPARTMENT  
Water & Sewer Capacity Evaluation  
Request Form

Project Address \_\_\_\_\_ Applicant \_\_\_\_\_

**PUD recommends a water and/or sanitary sewer capacity evaluation for all water and sanitary sewer improvements. Water and/or sewer evaluations are required for all Planned Developments and rezone requests, and projects with an estimate daily usage of 10,000 gallons or greater.**

1. Please submit completed form along with attachments to:  
[PUDEngineering@accgov.com](mailto:PUDEngineering@accgov.com).
2. The evaluation fee is \$150 for Sanitary Sewer and \$50 for Water.
3. Payment to ACC PUD Engineering- 124 E. Hancock Ave. Athens, GA 30601. Methods of accepted payment include checks or credit card in-person. Phone payments are not taken at this point.
4. Water and Sewer Modeling requests are generally returned to applicant within one week, however, due to volume of requests and/or specifics of request additional time may be required.
5. For additional information, please contact: [PUDEngineering@accgov.com](mailto:PUDEngineering@accgov.com)
